

black nitrile
examination gloves

semper guard sapphire™ XP black

Semperguard® sapphire™ XP black exam nitrile gloves are designed to offer excellent grip and tactile sensitivity, making them ideal for a variety of tasks that require precision and control. The black color of the gloves are especially appealing in industries such as beauty, laboratory, food services, janitorial/sanitation, and safety. The dark color helps conceal color transfer, stains, and other messes, maintaining a cleaner and more professional appearance throughout use. This feature is especially useful in environments where aesthetics and cleanliness are a priority.

- **Sleek and professional appearance**
Hides stains caused from grease, dirt, dyes, and ink
- **Textured fingertips**
Enhanced dexterity and gripping capabilities
- **Tested against 33 chemotherapy drugs, fentanyl, and gastric acid**
Meets USP 800 requirements for PPE compliance for chemotherapy
- **Safe for food contact applications**
Meets FDA 21 CFR Part 177 requirements for food handling
- **Made in Malaysia**
Manufactured in Malaysia using state-of-the-art technology to achieve quality that exceeds FDA standards
